

# Dress Down or Up Day

## **DRESS DOWN or UP DAYS**

A fun way to raise funds is to organize a dress down (or up!) day. These can be easily organized and a fun thing for a Friday. What could be more simple? You can organize a dress down day - with or without a raffle - at any time of the year, either in the workplace or at a local school even church or organization. Employees or students pay a set amount - usually from \$1 to \$5 - for the privilege of wearing what they like to work or school on a designated day. Reserve the right to set limits so things do not get out of hand. Showing up wearing just a fig leaf would ruin every ones day.

## **TIPS AND HINTS:**

Employees or students should purchase a sticker to participate. Create posters to announce Dress Down Day. Poster should include the following information:

- when dress down day will be held
- where to purchase sticker
- and the cost of the sticker to participate.

Develop guidelines to spell out what is appropriate Dress Down Day attire.
