

Fishing Tournament

There is nothing like a day on the river or lake relaxing and catching the big one. Well you know you can do that and for a good cause. What if someone said “Lets get a fishing tournament up and donate the entry proceeds to the children’s home?” Hey have fun for a good cause.....wife might even agree. In fact she might even want to fish too.

Location and Date:

Get a group who would like to set up this tournament and set a date and location. Work up the normal tournament rules, set entry fees and prizes. See if launch owner might help with a lower charge for the launching, if you use a launch that charges. If there they have a store or bait shop they may help out if they know the tournament is for a charity cause and the will bring business to the store by waiving the launch fee.

Sponsors:

Look for businesses that might sponsor the prizes for the tournament. Tell them the tournament is to raise funds to buy food and educate children in the home. Boating and Sports supply places maybe willing to donate items as prizes and even promote the event for you.

Advertize:

Posters, flyers in local businesses and sporting stores and maybe even some radio announcements could raise interest. Invite the local radio station to be at the weigh in to promote the next tournament and cause.

This event could become a repeat event every month or two months.
