

# Time with a who of the who's who

## **EVENING WITH**

An evening with an expert or famous person will draw a big crowd if the topic is timely and advertising has been well prepared. Why not ask a local celebrity or entertaining person to speak about some favorite topic? Or ask a professor or teacher to donate a few hours tutoring. They will be helping raise funds for the home while doing what they love to do.

Perhaps you know someone, who knows someone...an author, an artist, group or a celebrity.

If you can obtain a commitment from someone "popular" who is willing to donate a few hours of their time to your fundraising cause, then it's time to start making the proper arrangements. Perhaps the local bookstore, library, or school will let you use their facilities? Then it's time to advertise – offer refreshments/coffee after the talk. Have a question and answer session. If you have an author or an artist this evening, they can sell their product at this time (a book or artwork) and donate a portion of their profits.

**ENCOURAGE A FRIEND...**to team up with another friend and fundraise!!!
