

Win a Prize Game

Prize Tickets

Participants are given the opportunity to purchase prize tickets to win a variety of donated prizes.

TIPS AND HINTS:

Cost of ticket:

You determine the cost of prize tickets. Maybe between \$1 and \$5 depending on the type and value of the prize(s).

Cause donation will go to:

Be sure you have a sign that explains what the proceeds will be used for. Knowing the money is not for profit but in fact will help children who need the basics of food, shelter and education will make them feel they are winning even if the prize goes to someone else.

Get local businesses involved:

Local business owners often are willing to donate prizes or gift certificates. A donated item can be anything from a free oil change, to a \$20 store gift certificate, discounted or free meal at a nice restaurant or fast food place. Even make the prize as nice as a show, local event or game. Donated prizes help make sure that proceeds from the prize ticket sales will go to help the children rather than towards the purchase of the prize(s).

Ticket supplies:

Prize tickets do not have to be professional or cost a lot of money. Simply create a simple form that will include name, address, and phone number. Make sure that each ticket is fully filled out to make it easier for you to notify the winner. You can design your own tickets to include info on the cause, a drawing or picture.
